INTRODUCTION

This Test Project consists of 3 modules. Competitors must submit each module at the end of the maximum time for that module, finished or not.

The Competitor has to:

- Sketch garment for
- Mark, measure and cut
- Construct garment
- Use various Industrial Machines efficiently
- Embellish the garment using mystery box
- Pressing & finishing

MODULE 1:

SKETCHING – MAXIMUM TIME ½ HOUR

Competitors will be required to create flat/technical sketch of garments in black ink, front and back, to be presented in A4 size sheet provided.

They will be supplied with a template/ croqui (available prior to the competition) as well as pictures of two garments.

MODULE 2:

CONSTRUCTION - MAXIMUM TIME 2 Hours

Competitors will receive the full set of patterns for the dress. They will need to lay up and cut out the fabric. They will then construct the garments shown in the sketch.

MODULE 3:

EMBELLISHMENT - MAXIMUM TIME 1/2 HOURS

- Competitors will receive a mystery box containing various trims and accessories to create an embellishment on the Kids frock made in module 2. Embellishment may be anywhere on the Garment but it must be wearable (no raw edges). Embellishment must be fully secure.
- No alteration to the size and/or structure of the garment is allowed Elements may be applied by hand or machine.
